DO NOT OPEN THE SEAL OF THE BOOKLET UNTIL YOU ARE ASKED TO DO SO

Time Allowed: 2 Hours

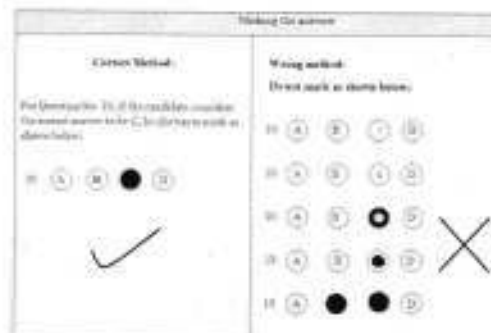

Maximum Marks: 100

Read the following instruction carefully before you begin to answer the question. This booklet contains questions in English Only.

INSTRCTIONS TO CANDIDATE

1. Every candidate is required to satisfy that the Question Paper Booklet given to him / her contains the number of pages as printed on the cover page of the booklet. In case of any discrepancy, he/she should ask for replacement of the Question Paper Booklet immediately.
2. The Question Paper Booklet will consist of 100 Multiple Choice Questions (MCQ's). Each question will be of one mark and for every question, four answer options designated as A, B, C and D are given in the Question Paper Booklet. The candidate is required to select one amongst the options corresponding to the question as his/her right answer and darken the circle i.e. A or B or C or D as the case may be, to be the answer in the OMR Answer Sheet with black ball point pen only.

Example:

3. Candidates are required to sign in the OMR Answer Sheets and Attendance Sheet in the same manner as they have signed in their application form and Admit Card. They must affix their Left Hand Thumb Impression in the attendance sheet.
4. The OMR Answer Sheet contains the serial number of questions as given in the Question Paper Booklet. Against each question number, there are four circles marked as A, B, C, and D which correspond to the four answer options of which one is to be darkened on the OMR Answer Sheet only. No marking should be done on the Question Paper Booklet.
5. Candidates are required to correctly fill in the Question Paper Booklet Code (as mentioned on the top of the Question Paper Booklet) in the OMR Answer Sheet, as the same will be considered final for result computation. Candidates not filling the Question Paper Booklet Code will not be awarded any marks.
6. The candidate must write his Roll Number, as allotted to him/her and printed in the Admit Card, on OMR Answer Sheet in boxes and darken appropriate circles with Blue/Black Ball Point Pen. Similarly, write Question Paper Booklet Number as also the codes viz A or B or C or D, as the case may be, subject code and Exam Centre code on OMR Answer Sheet. The candidate should not make noting/scribbling on the Answer Sheet and Question Paper Booklet except in the space provided for rough work. In case any candidate fills in the information wrongly, the Institute will not take any responsibility of rectifying the mistake. The Question Paper Booklet Code as darkened by the candidate will be final and the result will be processed on the basis of the circle darkened by him/her.
7. Candidates should not open the seal of the Question Paper Booklet before the time specified for the commencement of the examination.

8. Multiple darkened circles for a question will be treated as wrong answer. For question/s not answered i.e. blanks, no marks will be given or deducted.
9. Candidate should not change / erase / overwrite on the options while answering the questions in the event of any such act zero marks shall be given for the said question. Use of white/correction fluid, eraser, blade, etc. is not allowed on the OMR Answer Sheet.
10. The candidate will be required to submit the OMR Answer Sheet at the conclusion of each session of examination against acknowledgement by the Invigilator on the admit card.
11. Candidates may bring a card board or clip board on which nothing has been written so as to avoid any difficulty in darkening the circles in OMR Answer Sheet as the tables/furniture provided in the examination hall may or may not have even or smooth surface.

Question Paper 1

English Language

Read the following passage and choose the correct answers for the two questions given below:

Paper is named after papyrus, a reedlike plant used by ancient Egyptians as writing material more than 5,000 years ago. The Chinese invented the paper that we use 2,000 years ago.

A piece of paper is mainly made up of tiny fibers. The fibers used in making paper are plant fibers and there are millions of them in one sheet. In addition to the plant fibers, dyes and additives such as resin may also be used. Dyes can give different colours to paper; resin can add weight and texture.

Where do these fibers come from? The majority of paper is made from the plant fiber that comes from trees. Millions of trees are cut down, but new ones are planted in their place. Paper may also be made from things like old rags or pieces of cloth. Wastepaper – paper that has been made and used can be turned into recycled paper. This recycling process saves forests and energy and reduces air and water pollution.
